Dear WFEO Members,

We draw your attention to the 2nd Africa Engineering Conference organized by our national member the Institution of Engineers Rwanda (IER), in collaboration with UNESCO, the Federation of Africa Engineering Organizations (FAEO) and WFEO. It will be held in Kigali, Rwanda from 25th to 29th September 2017, and is part of the 4th UNESCO – Africa Engineering Week, of which WFEO and FAEO are strategic partners.

The theme will be **"Effective Waste Management in Africa"**.

The main objective of the conference is to draw attention to the current diverse challenges facing waste management in Africa, and to consider the prospects for effective and sustainable development of this critical sector.

Please note that the deadline for submission of technical papers has been extended to **20th July** - see the enclosed call for papers -

The online registration platform is operational - see <http://www.aewconference2017.rw/registration.php>.

Please register as soon as possible as early birds registration closes on **15th August**.
